July 14, 2014 - Coub is YouTube for looping videos. You can take any video, trim the best part, merge with other videos, add soundtrack. My wife and daughter and I created our own video where I play billiards with friends. As a result, in less than a few days, more than a million people subscribed to us. I don't know who became our first viewers. Probably people we know and respect, as well as bloggers and just those who love short videos. Now we want to do something special for those who love us. I wanted to do something that would differentiate Coub from other similar videos, so we decided to launch something completely new. fffad4f19a
